“ So sorry for your loss. Harry and I were very good friends in high school. After many years of going our separate ways we met up with him and carol at a high school reunion. My husband and I socialized with them for quite a few years before moving to Florida. Harry was a great man and will be missed by all.

“ Oh no! I'm so sorry. I loved Harry, he was my brother in the Marines. I went to radio school together and he even came by my place when he was driving truck. He was a fantastic friend, always thinking of others and trying to do the right thing. I have lots of pictures and memories that are not for public consumption, Harry was lots of fun. Please let me know if I can do anything.
