“ I'll always remember Connie driving us kids to and from St. Sylvester School during first, second, and third grade. The cars were consistently of the classic variety. It was a special treat to see the convertible pull up and of course we always wanted the top to come down. That was just one of many fond memories with the Kirk family.

I know she loved you like family. She always appreciated your cards. She was the best and you were a wonderful woman for keeping in contact with her, when she could no longer do so. God bless you Cindy.
