My name is Gloria Jean Cooper Sprague and Helen was a neighbor of ours. We lived in the church parsonage and they lived around the corner on Rogers Ave.. Her son Darrell use to come down to our house all the time. She was a wonderful woman. Years later I would go and visit her every so often down in Coleman where she live. One day (a few years back she asked me, "Gloria, I can't do anything any more, why doesn't GOD take me home. I told her I would pray and look in the bible and be back. The next week I came back with the bible and read where it said the older women were to teach the younger women and also told her she was such a prayer warrior and her prayers did and would make a difference in many peoples lives. Helen was one of the woman that kept the church going by selling sandwiches, at auctions and by helping cook Friday night Chicken dinners at the church (this money helped pay bills and pastors).....She was one of the Backbones of the church...She was quite the Lady... There is so many more stories she told me that I will treasure for the rest of my life.....She was a TRUE CHRISTIAN WOMAN! I Love You Helen Town!!
