“ Uncle Howie was quite honestly the roughest, toughest teddy bear you could ask for. I'll always remember my summers spent up north with them and their grandchildren. Anytime I saw him, he always had a smile on his face, a caring heart and was always ready to party. That's what I loved most about him. I will miss you dearly Uncle Howie!

“ *His laugh was always joyful, you couldn't help but join in. He helped Mike with so many projects, coming up with ideas to fix and repair things we needed help with. May he be enjoying his favorite fishing spot with his favorite fishing buddies right now. Love you, Howie.*

“ *I will always remember Howie as the man who loved Walleye and almost forced me to try his fish fry.(which, I admitted was pretty good) Him and my dad going back and forth with each other, and how he always had a smile. May you all find Peace and comfort. We loved and will miss him.*
