

Israel "Izzy" Renner

May 13, 2016 - July 29, 2019

Israel "Izzy" Paige Renner passed away on Monday, July 29, 2019 in Las Vegas, NV surrounded by family. She was born on May 13, 2016 in Spokane, WA to parents Cody and Alisha (Cassiday) Renner. A fearless and bold child, Izzy was known by her family as adventurous, feisty and sparkly. She was always looking for the highest place at the playground, on the mountain trail, in the house or wherever she was. She loved to sing and dance, all day, every day. Despite her feistiness, she had a heart that loved to serve others and was always helping everyone, including spoon feeding her cooperative parents. She loved trying new adventurous things with her brother and daddy & loved to shop for dresses with mommy. Izzy's precious gift of life to her family, became a blessing to other families through the gift of organ donation. Izzy is survived by daddy and mommy, Cody and Alisha; her big brother Lincoln; maternal grandparents Paula and Brian Cassiday; paternal grandmother Doris and Rod Henry; many cousins, aunts and uncles and her beloved pet dog, Oakley. She was preceded in death by paternal grandfather Larry Renner.

Visitation and services will take place on Thursday, August 8, 2019 at the Farwell Chapel of Stephenson-Wyman Funeral Home. Visitation will take place from 11 A.M. until the time of service at 2 P.M. “ I remember you, Alisha, so radiant and pregnant with little Izzy and how very precious she was as a baby, so tiny and beautiful. I can not imagine the pain you and your family are experiencing and I wish I knew words that could make it make any sense... but there are none. Cherish the memories and each other. One thing I do know is that Izzy was loved so very much!!

“ *I do not know your family, but Sally Renner is my niece. Ever since hearing about Izzy I have prayed and prayed for a miracle for her, and your family. I cannot imagine your pain, and my hear breaks for you beyond words. I know you have heard all the words of comfort, and I have none to share except my continued prayers for the days that lie ahead. Only God can supply your deepest need so I continue to ask Him for just that. She is a beautiful little angel.*

“ *My first remembrance was when you announced your pregnancy. You were so happy and just glowed. We were so happy for you. Anticipation grew every month as Izzy grew inside you. Then you brought us that beautiful bundle of pure love and joy to behold and share. God used her as a great blessing for humanity, as he did his son. And he gave her to the best parents who love, cherish and protected his gift. God bless you Alisha and your family.*
