“ Joan & children, We wish to send you our Deepest and warm regards for the loss of your loved one (Jack). I find it very difficult to send this when we had just talked in Sam's club a couple of weeks ago. I'm so sorry Joan; and if I can do anything to help, please feel free to call anytime! We will be sending a memorial to you soon.

“ Joan and family,Don't think of him as gone away,his journey's just begun,life holds so many facets this earth is only one.Just think of him as resting from the sorrow and the tears in a place of warmth and comfort,where there are no days and years.Think how he must be wishing that we could know today how nothing but our sadness can really pass away.And think of him as living in the hearts of those he touched,for nothing loved is ever lost,and he was loved so much.
