“ *Jim and I worked together for many years starting I'd say in 1987 or so. A top notch labor with the skills of a carpenter. He was always number one and you wanted him on your team for sure, never afraid of hard work and some great laughs along the way, Jim even assisted me on building my home in 2005. Shazam's was all we heard lol even had it on his van. Always a great smile I'm sad to see him leave us so early. My prayers and thoughts go out to him and family. Sincerely DavidL Haskin*

If there is anything I can do or just be there for anyone, please call me. Jim will be missed and loved. He was just a small 1 year old when I married his Uncle Carl. It is a hard time for all the family. God Bless Jim and everyone he left behind. Love to all.
