

James B. Pregler

July 2, 1985 - September 8, 2017

James B. Pregler, age 32 of Clare, passed away peacefully on Friday, September 8, 2017 at his home with his family by his side. James was born the son of John Shores and Trula Pregler on July 2, 1985 in Wyandotte, MI. He was united in marriage to Trisha Davenport in July of 2010, and she survives him. During his working years, James loved to spend time outside as a landscaper for himself and other area landscape companies. He will be remembered for his amazing sense of humor and carefree attitude that always made him the “life of the party”. His passions included spending time with friends, lending a helping hand to those in need, working on home construction projects, listening to his favorite Bob Marley songs, and most importantly, enjoying time with his sons.

James is survived by his wife Trisha, his sons Vayn Pregler and Troa Davenport, both of Clare, his father John Shores of River Rouge, MI., and his mother Trula Pregler of Beaverton, MI. Other survivors include his siblings Michael and Melissa Pregler and Timothy and Amber Shores, his several cousins, nieces, and nephews, along with many of his closest friends including Jose Ortiz, Thomas Davenport Jr., Micheal Dawson, and Frank Heath, as well as many others not mentioned.

A memorial service in honor of James will take place at the Clare Chapel of the Stephenson-Wyman Funeral Home on September 30, 2017. Visitation will begin at 11 A.M. with services to start at 1 P.M. with Pastor Jim Young officiating. Memorial contributions in honor of James are suggested to his

family, and online condolences may be shared on the James' tribute page at www.stephenson-wyman.com

“ *James was a great young man. I enjoyed knowing him at dialysis and will miss seeing him every week. The happiest I have seen him was after he came back from visiting his family downstate about two months ago. He showed me pictures of family and being out on the boat and simply put, was so happy to be alive and be with loved ones. He was a proud Daddy, husband, brother and son. I feel honored to have known him during the years he came to dialysis. He was so young, but I will never forget him. Cherish the memories, he would want that! With sympathy, Nancy Wise (social worker at dialysis)*
