“ Janet was such a blessing in my life as we served together planning retreats at "Gilman Springs" for many years. She was a woman of character, love and devotion. She loved her husband and children and would often talk of them. She loved serving the Lord and had an impact on my life. Through her I met Linda and we had some fun times together at the retreats. May God bring comfort to all of you. Psalm 116:15 "Precious in the sight of the Lord is the death of His saints."

“ Thank you for sharing Janet with us at Horizon! Every morning as she was coming down the hall to breakfast she would call out "good morning Marge"!! I never quite figured out if it was because she liked me or just to make sure I knew she was there for breakfast!! Lol and she loved hearing my grandson David play piano and always asked about him!! I miss her.

“ Seeing Janet was always a bright spot in my day. Always upbeat and interested, she epitomized gracious friendship in my eyes. I'm so glad to have known her. Tom, David, and Linda, I know you'll miss her, but I hope the happy memories shine brightly for you along with the pain of her loss.

“ *I worked with Janet at the Davis Clinic where she was my supervisor when I worked switchboard. I loved her friendly smile and kind heart. She always made me feel like I could be honest with her no matter the situation. My 21st birthday being one of those times. Lol! I am very grateful we organized a DCPC Reunion in which Janet was able to attend. It was a memorable moment and the pictures with her are priceless. May you rest in peace joined with Reggie now and spend the rest of your days in harmony. You will be deeply missed. 💜*

“ I worked with Janet at the Davis Clinic for 21 years. She was like my 'work mom'. She took care of me at work, taught me so much and kept me in line when I needed it. We lost contact for a few years after she retired, and then we later reconnected. I am so glad that we did. We shared so many happy & fun times together at the Davis Clinic. I always enjoyed our talks when I would go visit her at the AFC home, also. It saddens me that Janet has left us, but I feel she is at peace now & reunited with Regi. R.I.P my dear friend ~ My condolences to Tom, David & Linda & their families ...

“ *Always a fun visit when we visited Aunt Janet. One day several years ago we received a call asking for some "fun tricks" she could use on her care providers on an April 1st. We will always remember Aunt Janet wearing the purple hat Judy Mitchell made for her.*

We're remembering your family in prayer. Sorry we will not be able to travel to be with you on Wednesday.
