“ Sending love and hugs to the Renner family. I'm sorry to hear of Jean's passing. She was a wonderful and caring person. And, if I'm not mistaken, a cheek pincher.

“ My deepest condolences to the Renner Family, I ❤️ You All! My ❤️ is grateful to have known this Woman & Her Family since my late teens. GMa (& GPa) Renner took me in as one of there own, as well as my three daughters over the years. I have many of fond memories hanging out at GMa's kitchen with the other Women in the Family, cooking, laughing and sharing stories ... and listening to GMa's lil fiesty voice telling somebody, to do something!!! Watching the men, at times, make refrigerator sandwiches ... whatever's in the Frig was slapped into sandwich form! It's a man thing! 🤔 Me helping the best I could with a large family. Times were differnet then, slower & full of celebrations (any body's Birthday, Anniversary or just a Family gathering happened at the Renner's back in the day ... (and Her daughters Carol, Aunt KK & Sal) have kept it going. There was ALWAYS a good time & lots of ❤️ at Gma & GPa's home. One of my all time favorite times was the annual fish fries of fileted perch & bluegills 🐟 ... and I'm SURE that was a task & then to feed us all! It was a Family effort! As life went on I was able to visit, it had ALWAYS been a pleasure & a ❤️ filled event. A few years back, the infamous "Professional 🍉🍉🍉 Cutter" was acknowledged & thats been Gma's & My "Schtick" since then .. anything to make her laugh. I'll remember her always & the I fun I had with that Lil Spitfire~ R.I.P. & I Love You & I'm going to miss you Gma~ 🤔
