“Joan was a very dear friend and she will be missed for sure. She was such a handy person for doing crafts and etc. and it is just too bad that she became ill for she also became a totally different person but don't forget that wasn't her so I remember all the good times that we had in the past. She will not be forgotten by a lot of us!
I am very very sorry for her family and I am sure they will miss her too.
