“ *Joanne has a smile that would light up the room, she absolutely adored her Grandson David. My best memory of her smile would have been the time we all met at Ponderosa for Mothers Day dinner. Grandma was having trouble walking out of the restaurant, David scooped her up and carried her out of the restaurant and out to the truck, everyone in the restaurant was clapping and laughing! She loved every second, and looked at David as if he had just hung the moon!* ”
