

Joe Jay Burrill

September 4, 1962 - April 28, 2019

Joe Jay Burrill, age 56 of Beaverton, passed away suddenly on Sunday, April 28, 2019 at his home. Joe was born the son of the late Jay Roland and Ernestine (Duby) Burrill on September 4, 1962 in Saginaw. He had spent most of his life around the Clare and Gladwin County area; he was a farmer by trade and loved being outdoors working on and around his property. Joe loved his horses, and looked forward to the Trail Rides he would take yearly.

Currently Joe was a Board Member of the Michigan Trail Riders Association (MTRA). Joe will be remembered as a friend that was always willing to lend a hand; many of his own projects were left undone trying to help others.

Joe is survived by his daughter Nicole (Tyler) Scharaswak of Six Lakes; his granddaughter Grace Mae Scharaswak; fiancé Joan Gibbs of Beaverton and sisters Linda Barefoot and Betty (Gavin) Woolever both of Plant City, Florida and Marie Turner of Mt. Pleasant. Joe was predeceased by his daughter Kathy Jo Burrill and his brother Roy Burrill.

A Celebration of Joe's Life will be held at the Knights of Columbus Hall, 751 M-18, Gladwin, Michigan 48624 on Monday, May 6, 2019 from Noon until 5 P.M. Memorial contributions are suggested to his daughter Nicole Scharaswak to help with expenses. Arrangements were handled by the Clare Chapel of Stephenson-Wyman Funeral Home. “ I have known Joe for 18 years...he was a good friend and would always help out people. He was a board member of the Michigan Fox Trotter Association and a valuable resource to our organizations. His breeding stud and foals have been admired for their natural gait and beautiful qualities. I will miss you Joe! <3 You were an awesome guy!

Joe was a really helpful member of Michigan Trail Riders Association. I remember he helped back my rig into an impossible spot at Luzerne in the pitch blackness. He was also the auctioneer for our kids youth fund auction. He had a really big heart and will be missed.
