“ We were so blessed to meet John as he stayed at our home with our son John while going thru college. It was never a dull moment while John stayed with us making three John's for me in the house and one Mike. The laughter could be heard from the garage when I pulled in the drive from work! Sometimes it was little things that would create laughter like conversations of John's cousin Amber or Hot Amber that he thought so highly of. After the boys finished and no longer stayed with us we were lost along with Gram and Gramps as they always had to go see them quite often. Gramps would often tell how much he thought of them and how he missed the company. I am sure that Gramps and John are hanging together again sharing stories and a lot of laughter. John was treated as a son while here making many happy memories that we will cherish forever and we feel so blessed that we was given that opportunity. May you rest in peace. We will see you again some day. Love you to the moon and back! The Wenzels

We are so sorry for your loss!
