“ John was a good friend and colleague. He and I got the opportunity to work together many times. He was a true advocate, always smiling, very giving of himself. He will be missed. My heartfelt prayers go out to his family and friends at this difficult time. May we be comforted by wonderful memories.

“ To the Folsom family-I was very sad to hear of John's passing. He was a great guy and spoke often of his family, the joy of his lake home, and about the time he spent on vacations. I've had the pleasure of working under his guidance in union matters at Birch Run Schools for a number of years. He led us through some pretty rough times with conviction in his heart and a smile on his face. He had so many life experiences and loved to tell a story. He was a true fighter for his union brothers and sisters. Please know you are in my thoughts and prayers as you heal from the loss of this wonderful person.

“ My thoughts and prayers to the Folsom family. I grew up with John in Alma, so many good memoires as a Cub Scout and Boy Scout. Being a couple years older than me, I looked up to John in my youth. John was a heck of a football player in high school, I knew when I handed the ball off to him someone was going to get pounded. I am saddened that his time on earth was cut short. Peace with you all! :(

“ *Jill, we are so sorry for your loss. John truly gave so much of himself and never asked for anything in return. He did all he could for MEA members and so much more for his PSA brothers and sisters. John was our Columbo and always right on time with a thought or an answer. His sense of humor was undeniable and his wit was one not to tangle with. He so loved his family vacations. I remember an NEA training in Denver in which we just had to go up those mountains to the casino, for you know he could never pass up a casino. Let's just say after that ride, around the bends and curves, watching the rocks fall down the edge of the cliff I put my trust in John and I never looked back. Thank you for sharing him with us! He may be gone, but he will never be forgotten. Tanya & Ervin Pratt*

“ Dear Jill and Family. I was absolutely stunned and saddened when I heard the news of John's passing. I have know him for the past 30 years when I became active in MEA staff union activities. He was always knowledgeable about member rights which he never failed to pass on to others. He and I always shared a laugh even when times weren't funny. I remember a time when I was sending him directions using my so-called 'smartphone'. The phone wasn't so smart when it substituted the name of a street with a female body part. Needless to say I was embarrassed but it was so funny. All John would say was "I'm not familiar with that street" while laughing his head off.

John, my brother, you will be missed but never, ever forgotten. May the family find peace that passes all understanding during this difficult time but may the memories carry you forward.

“ Jill and Family, I'm so sorry to hear about John. My heart is heavy and sad. John was a great guy! I could always count on him for sound advise, a funny story and a good laugh. Over our many working lunches, he shared stories about his children, grand-kids, the cabin and his vacations at Disney. He was very proud of his family and the life he built with you Jill. He will be missed by so many people. I'm so sorry

“ Dear Jill, My deepest condolences to you and your family. I am the USO Bargaining Chair and have worked closely with John during the course of bargaining. He was amazingly funny and quick witted. We laughed every time we met. We also worked on a bargaining module training last winter that we laughed our way through. He was a great UD, colleague and friend. I will miss him greatly. May you and your family find peace in the memories he left you with.

“ I was shocked when the phone call came, yesterday. I had just spoken with John two weeks ago. I was looking forward to having him return to Cass City, as our Uniserv Director. I have known John for over 25 years. He was a devoted husband, father, and grandfather, who loved his family deeply. He often told funny stories about his children and grandchildren.

John was a fighter for teachers rights and for the human spirit. John was never the type of person to back down or not speak his mind. He was strong in his convictions and a true mentor to myself and many others.

In the last conversation that John and I shared, his first comment was, "Kid! Can't you play nice in the sandbox at USA? What do you have cooking up there now?" We both had a big laugh over that!

I am sending my deepest sympathy to his wife and his family. I will miss, John, very much.
