“ To John's family, I am sorry to here of John's passing. He was a good neighbor. I didn't bother him and he didn't bother me. We acknowledge each other in passing all the time with a friendly wave or our favorite thing we did to each other was a quick nod. When I bought sugar beets from him he always had alot to talk about. It was like we were catching up on what each other has been doing for the last year. It wont be the same any more looking out my front window not seeing drive by on his tractor. RIP John

“ *John was the friend of the family that you could always ask a question to and he would always find an answer while saying it in own way. John was a good man who had a heart of gold with a rough exterior. He will always be remembered as a good friend and someone that was always friendly. Very sad and shocking day after just talking to him on Friday. Rest in peace my friend. Condolences to the friends and family of Mr. John Haring.*

“ John was so wonderful to my Mother. Whenever she needed something, he would come help here. I remember one trip home when I saw John selling deer feed on a corner near Surrey Road. I turned in and hopped out of my car. It was the first time I had seen John and vice versa since we young. He didn't recognize me but did once I told him who I was. After that, I always stopped at the bait shop to say, "hi". RIP John!
