“ We were so sorry to hear of John's passing. He was a along time neighbor of our family while I was growing up in Farwell on Hatchery road. Spent a lot of time fishing with John and my dad during trout season on the "ole" stream. He taught me to make blackberry crisp. And he taught us how to get leeches off when swimming in that river! Uggg. Haha.It was good to see him last April 2009 at my father's funeral. To his family we send our heart felt prays for peace.
