“ This breaks my heart! I am the cook at Horizon Senior Living in Clare, John would come in and give communion to a couple of our residents. He would always stop by the kitchen and visit for a few minutes, ask me what I was making, tell me what he was baking or mixing up for church functions, and ALWAYS telling me about his kids!!! The love he had for all of you was tremendous!! We also found out we were birthday buddies as my birthday is also on August 11th!!! I would tease him each year I was catching up to him and he always brought me a card. What a sweet and thoughtful man he was. I will truly miss his visits.

“ John was always there you could count on him. Liked to see him each Sunday ushering, handing out bulletins, sitting in the vestibule and talking with everyone. We will miss you, John you had become fixed in our hearts.

“ Aaron, Sheila, Brian, and Sean. We are so sorry to hear of your loss. You and your families are in our thoughts and prayers. We had many good times when we would visit you all at the farm. Alison, Mark & Jenny have fun memories of going to the cow and pig barns. Not being farm kids themselves. Ed and I have many fun memories of our great friendship we had with your mom and dad and those memories are dear to our heart. With Loving thoughts and prayers, the Putnams - Ed, Gloria, Alison, Mark and Jennifer.

“ John and Danny's family have been a part of ours for as long as I can remember. We were always welcome to snowmobile n your land, come sledding on the big hill and even play baseball in the hay field. Grandma Benic looked forward to walking down to see you and your kids, making those awesome cinnamon rolls.

Think of hard work, farming, family, church and John was their. Willing to help, even when you could tell he was hurting. I feel honored that I was able to grow up with such a great example of caring and giving as John and Danny provided.

John was a member of the Knights of Columbus as well. working with him their is when I realized what kind of man he was. Always tell one to raise his hand to help, taking on jobs because it just needed to get done.

He will be sorely missed as a friend, neighbor, parishioner, and brother Knight. we all have stories about him because he was always their to lend a hand.

We will always smile when we think of him, because he was always a part of the good thing as in our live.

“So, you don't have a husband?!” I loved his forthright voice - he made me smile :) Nothing like a big heart and saying it like it is - God gives your Dad rest now and we have the laughs and tears and OUR FAITH to know he's home!
