“ Bill and family, I was so sorry to hear of your dad's passing. He was a very special man and I truly enjoyed working with him at Farwell High School. He was always very kind to me and helped me out a lot when I first started there. My thoughts and prayers are with you all. Pat##imported-begin##Pat Lake##imported-end##

“ I hesitated answering the question above. Although not related "by blood", I will always feel a part of their family, like they were my "adopted parents", I spent so much time there with Diane. I will truly miss both John & Mary Lou - They hold a special place in my heart and always will. Although not very "talkative", When he spoke it came from the heart and you always knew where you stood - and I know I wouldn 't change a single experience I had with "my other" family. They are missed!##imported-begin##Carol Kross##imported-end##

“ Lynda and I were deeply saddened to hear about the passing of John. We have known John for 35 years. We worked together at Farwell Area Schools. It was always a pleasure to "bump into" John on the grounds of the school and around the community. He was always cheerful and willing to engage us in conversation. We will remember him as a man with a quick and friendly smile and a willingness to "be of help". GOD bless and keep John; and, GOD bless and comfort his family.
