“ Dear Marguerite, You know how very much I wish I could be there with you. I hope you can feel the big hug I am sending. It helps to know that you will be surrounded by family and friends, that is so important. Although we didn't spend a lot of time together, especially the past several years, you and Joe have always been very special to us. We love you very much. “ Dear Marguerite and Family, Our thoughts and prayers are with you all. We know how hard it is to say good bye forever to someone, done it way too many times. But we always will remember Joe and his grin and laughter around one of our favorite brother's family's. Sending lots and lots of hugs. Love you, Donna, Mike and Family
