

## Joshua Brennan

July 21, 1984 - November 14, 2021

Joshua A. Brennan, age 37 of Farwell, passed away suddenly on Sunday, November 14, 2021 at the McLaren Hospital of Flint with family by his side. Josh was born in Saginaw, MI., on July 21, 1984. Josh had largely lived his entire life in the Clare/Farwell area and was a graduate of Clare High School. His work career focused in the food industry as he had worked for both Russell Stover and Burger King for a time. Josh loved to work on and modify cars, always looking to add a little more speed. He also had a passion for growing his collection of rare basketball shoes. He also enjoyed gaming and was a definite “foodie”.

Josh is survived by his mother Denise Walker of Clare, his children Nickolas Brennan of Lake, Savannah Brennan of Lake, Joshua Brennan, Jr. of Farwell, Logan Brennan of Lake, and Benjamin, Abigail, Brooklyn, and Paige Brennan, all of Farwell, and his sister Destiny Espinosa of Clare. He was preceded in death by his great-grandparents Josephine and John Jakus.

In keeping with his family’s wishes, cremation has taken place. No formal services have been planned at this time. Online condolences may be shared with the Brennan family at [www.stephenson-wyman.com](http://www.stephenson-wyman.com)
