“ *I was the Minister at Unity of Clare for a year. I Met Joyce on May 8, 2005, when I spoke at Unity of Clare for Mother's Day. Joyce was on the board and they all took me to lunch afterward. They hired me a month later. It was my first Ministerial job. We have kept in touch over the years, mostly through Facebook and I have been back to Unity Curch of Clare a few times over these past 14 years. Joyce was a wonderful friend and a powerful prayer warrior. May your memories and the love that you shared carry you through this time of transition and grief. Fly high dear friend. I loved you and I knew that you loved me too.*
