“ Jackie & Dave (Ryan and Suzie), Just wanted to tell you how sorry we were to here about your mom - I ALWAYS considered her my sister-in-law. I spent many weekends with her when I was younger and she was always very good to me. I am so sorry that I will not be able to be there for the service but know that we are thinking of you and sending a big hug and all our love.##imported-begin##Aunt Mary & Uncle Mike##imported-end##

“ I met Judy when we were 18 years old and shared many experiences during those 3 years!(I recall we were partners when it came time to practice nasogastric tube insertions.) Since I always lived in the Alma area, we attended several nursing functions together. She was so full of ideas and life in general. And she could be funny too! Judy, you will be missed and remembered by all!!

“ Judy was one of my classmates in Nursing school but we seldom crossed paths there due to scheduling. However, I got to know her best at one of the Alumni banquets and I will treasure that evening. She mailed a couple of her favorite recipes to me, another treasure. All of you are in my prayers.
