“ My grand daughter Isabelle I and were over visiting the Novaks. I think Sandy and I were gabbing in the kitchen. Judy had Isabelle snuggled up on the couch enjoying Sophie, visiting away. Judy had a way with children. On our way out to the car, Isabelle said with quite a tone of pride in her voice, do you know what miss Judy said? She said, "She said I can, come back anytime I want! That's it in a nutshell. Both Ed and Judy have the gift of hospitality. What a perfect couple.
I loved Judy's voice. I don't have words to describe her cadence or tone. Always had this under laying sence of humor in what she said that made you smile on the inside. Always ready to share her faith. Our loss is heavens gain.
God speed Miss Judy, until we meet again.
