

Katey Swiney

December 12, 1983 - October 5, 2025

It is with broken hearts that we announce the passing of our beloved daughter, and sister, Katey, who left us on October 5, 2025, just weeks after the loss of her brother, Kyle. The depth of our grief is immeasurable, yet we find comfort in knowing they are together once more. Born on December 12, 1983, Katey brought light and laughter into every room she entered. Her spirit was fierce, her love boundless, and her devotion to family unwavering. Whether she was hanging with friends or offering quiet strength in hard times, she lived with a heart wide open.

She shared a special bond with Kyle—one built on inside jokes, shared dreams, and unconditional love. Their connection was a testament to the power of siblinghood, and we take solace in the thought of their reunion.

Katey is survived by her mother, Kim, her sister, MaDonna, and her nephew, Russell, who will carry her memory forward with grace and gratitude. Though our days are dimmed by her absence, her legacy of kindness, creativity, and resilience will continue to guide us. A memorial service will be held on October 19 at 3:00 PM - 7:00 PM for dinner at the White Lake VFW, 321 Union Lake Rd. White Lake, MI, where we will celebrate her life and the love she gave so freely.

Until we see you again, Katey. Mom, MaDonna, and Russell.

“ *My Katey did ☐ I call her that because we would always talk about the bug, we would laugh when I'd see her I'd say my katey did. I look back now and say she was my teacher, she taught me to laugh off the silly things in life that I would always and still do worry about. My katey did. I love you honey ☐ 🙏 ☐*

“ *Katey was my copilot. We did most everything together—whether it was tackling the day-to-day or just sitting side by side, talking about life. She had this quiet wisdom that showed up in the most unexpected ways. You could ask her about anything, and somehow, she'd always have the right words or the right perspective.*

Katey talked about her family constantly—not out of obligation, but out of pure love. Her stories were full of warmth, laughter, and pride. You could feel how deeply she cared for each person, how much they meant to her. That love extended to her friends, too. She didn't just make you feel included—she made you feel cherished.

Being with Katey meant being seen, supported, and reminded of what really matters. I miss her every day, but I carry her with me in everything I do.
