“ Dear Dick and Family,
I was very sorry to hear of Kay passing, she was a wonderful women with a great smile and laugh. I enjoyed the trips that we took with the two of you in your van. Kay was always so friendly and I was so glad to have seen you all at TR in February. Kay and I had our usual hug. I know it will be hard for you Dick. Howard has been gone for 10 years and I am still lonely. God Bless you all.

“ Absolutely one of the nicest ladies I have ever met. Working with Kay at the school for many years she demonstrated how to be professinal and have fun at the same time. Wonderful with the kids, parents, staff and the ladies working in the kitchen. She always insisted on treating me to lunch everyday. I feel very fortunate to have known such a nice person and will always cherish my memories of her.

“ To the Family of kay Fisher,

We here at "The Lake" wish to express our sympathy to you. Kay was a longtime resident of the lake and was very active with the day to day functions of the Association until a few years ago. She was a well loved and respected member of our lake community and will be sorely missed.

Our thoughts and prayers are with you as you go through this difficult time.

Sincerely,

“ Jim and I spent many, many moments right on the road or in Kay's driveway just chatting. We always found much in common - family, flowers, travel, Florida, ailments, camping, and any interest that just caught our attention. What I always remember is Kay greeting us with a big wave and a HUGE smile! She and Dick were inseparable and this will be a difficulty for the family. Their marriage was a true one framed by incredible respect and companionship. Kay's love for the Lord makes me confident that she is out of pain and in a better place. Knowing Kay, and my own personal relationship with the Father, Kay is already teaching quilting and has several projects started in just these few days since she was called home. We will miss Kay, but I truly am happier that she is carefree and pain free!

“ Sharing time at 8 Point Lake with the Fisher's was a wonderful time for Tom and I. The memories of cook outs and water skiing are still vivid. Not returning to 8 Point every summer was hard, but just too much without Tom. I still miss those times. Time marches on. Dick, I hope you and the girls cherish great memories of Kaye. She was a wonderful gal.

“ We came to know Kay&Dick, while travelling with Margaret&Tony Skells, through the Fisher generosity. We parked across the street from the Fisher home in our Airstreams. We had met Karen&Wally in our WBBCI travels but while at Kay&Dick's home, had the privilege of meeting Julie and Cheryl as well. Boating on the lake with Cheryl as our pilot, sipping drinks on the patio, spaghetti dinners and wonderful pastries for breakfasts are some of our cherished memories. We offer our sincere sympathies to this family for they will forever miss this wonderful wife, mother and grandmother. We will miss our friend.

“ To the Fisher Family: Our Airstream MI Unit will always remember the many generous projects Kay did for our group at rallies and events through the years, Her hospitality was always so appreciated. She and Dick took on the planning of being in charge so the members could have a good time. We will always remember her displays of her quilts which she won ribbon prizes for her talent.. She also would also plan craft projects for the gals to work on and take home.
We will miss her lovely smile and generous spirit.
