“ Kathleen was one of the kindness people I could ever have had the pleasure of knowing other than her daughter Patty. I saw her once at X-ray in the Midland hospital and she was all concerned about me and unconcerned about her situations. She genuinely cared and as the obituary reflects and gave so much of herself to us all. My condolences to the family and especially to Patty and Rachael. Always remember you are a genuine reflection of your parents reflecting the best qualities of each of them. Always feel the spirit of God around you as well as hers.
