“ Kathleen was one of the finest. Although we were many miles apart, we kept in touch over the years on a regular basis. She was always fun to talk to and we enjoyed each others company when we were together. She will be greatly missed by me and all the members of her family. My sincere sympathy goes to her family and her friends in their days of sorrow. May the Lord be with you.##imported-begin##Forrest Garchow##imported-end##

“ We will all remember Kathleen for her warm greetings week after week from the seat behind us at church. Our boys will remember her too from helping with hay. She was made extra special to Sam and Hannah through their friendships with Joel and Kayli. She lived a life showing kindness. Our hearts ache with sharing in your loss, and yet celebrate that heaven is richer.##imported-begin##The Ringelbergs##imported-end##

“ Kathleen was such a Lady! I enjoyed working with her on funeral dinners. She was always willing to bring food and stay to work if we needed her. I loved her quiet manner and she always had a smile ready. You all have my deepest sympathy and my prayers as you face the days ahead without her. How blessed she was to have all of you take such good care of her through this difficult time. May our Lord bless you with comfort and peace...Arlene##imported-begin##Arlene Yost##imported-end##
