“ *We met Kay when she moved into the apt next to us at the Coleman Pere Marquette Senior Estates. We walked together in the halls or outside, played cards and spent time in the co.mmon area. She was always willing to help and share. Kay loved celery and peanut butter so when I got a bunch of celery I would call her and she would come get a couple stalks with a big smile and would say that will be my supper. Miss her. “ Kay and my mom (Judy Jenkins) we're very good friends for many years. Many times when talking with my mom I would hear "I am going to church or lunch with Kay". They joined each other as heavenly friends on the same day....eight years apart. Many prayers to Kay's family.

“ Kay attended Clare H.S. for a short time. When I met her, we became friends. She was very kind and easy to know. While there, we had a Sweetheart dance. Kay was voted Miss Sweet 16, a well-deserved title that fit her personality. I can honestly say that no one deserved that title more than she did.
It was easy to see how proud she was of her family and how much she loved them.
My condolences to her family and friends that loved her so much. Kay's love for the Lord was evident. She was not shy about sharing her faith with others. R.I.P. Kay. I will miss you. Elaine Densmore
