“ *I have only worked with Kelly for 1.5yrs and became friendly with her the past few months as our projects brought us together. She was a hard worker, very dedicated. She was also very private but talked about her visits with her brothers/family fondly. It is very unfortunate that she has left us so soon. I prayed that she would be healed as she was looking weaker the last few months. I now pray that we all learned something from Kelly and that HE takes good care of her now as she had a kind soul. May the Peace of His love comfort you through all our trials and tribulations.##imported-begin##Alicia Mocerri##imported-end##*

“ I was so saddened to hear of Kelly's death, but take comfort in knowing she is with God. She was so devoted and passionate about her work and it wasn't unusual to meet with or talk to Kelly after the usual end of the work day. She always gave her best to any project we worked on! She didn't hesitate to call a non-participating physician office and really tell them why they should be helping to provide health care with us and she could be quite persuasive and insistant about it! She will be greatly missed! Thoughts and prayers go out to the Neubecker Family. May God lift the weight of pain and saddness by helping us focus on and cherish the wonderful times spent with Kelly.###imported-begin###Denise Hughes###imported-end##

“ Kelly and I became friends through Lifetime Fitness. I will miss her. We would get through our workouts together with a laugh and usually a story about our past. She was a good, kind person who I am blessed to call a friend. I will pray that she suffers no more, and hope that she finds the peace she was looking for. My sincere condolences to the Neubecker family.###imported-begin###Janet Walmsley###imported-end##

“ I worked with Kelly at Molina, before I transferred to Molina in Texas. Kelly was a sweet individual, and a dedicated worker. I would like to offer my condolences for your loss. We can look forward to a day when death will be no more. As Revelation 21:3,4 states: With that I heard a loud voice from the throne say: Look! the tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.##imported-begin##Shirley McMillian##imported-end##
