“ This area has lost one of the finest, classiest, and most gracious business woman. I have been a customer for many years and when you walked into her dream, Stone Soup, you were treated as the best customer in the whole world, with her upbeat personality and awesome smile. I cannot imagine going to Mt. Pleasant and not being able to see her again. My sympathies to the entire family and may her memories help ease the ache in your hearts.##imported-begin##Camille Kutis##imported-end##

“ My deepest sympathy for all of you during this time of the loss of a very special loved one. I shopped in Kristine's store many times and loved going there or talking to her on the telephone. She was the most friendly, positive store owner. I would always order the sign names for a wedding gift and each time Kristine was so excited to see them and proud of her store. I know she is in a place we all want to go when our time comes, and we will be reunited with our friends and loved ones.##imported-begin##Linda Moes##imported-end##

“ Our hearts and prayers to Jay & Kristine's family. She left us to soon. She was a wonderful neighbor and friend. Her wave from across the street or her friendly smile and hello will be greatly missed. Kristine's squealed excitement when she came home from work and the dogs barking their greetings so anxious to see her will not be forgotten. Rest in Peace Kristine, You will forever be remembered as a kind and loving person.##imported-begin##Patrick & Cheryl Hoffmann##imported-end##

“ My mother got me a Troll Bracelet for christmas. She had said how sweet and helpful Kristine was. I had been in several times after that to either buy beads or other things, but sometimes I went there just to see her. She was so sweet, careing, and easy to talk to. I could tell she really loved her job her costumers. My long term boyfriend and I found out I was pregnant. I was scared to tell my family. I came in the store to buy a bead for my mother as a way to tell her the news. Kristine could tell I was alitte nervous about telling everyone. She made me feel so much better and really eased my anxiety. I would go in to see her about every month to see how she was doing and she always would ask me about the pregnancy. She was one of the first people, I told the sex of the baby to. She ended up giving me my baby girl bead to celebrate. She was truly a very special person and friend. I will never forget her compassion and her kindness. I look at my baby girl bead and think of her.##imported-begin##Ashley Falsetta##imported-end##

“ Dear Kristine (family and friends): Today started out as everyday does many things to do, never enough time in the day to get everything done. On the drive down to Mount Pleasant today, I was going over my, to do list and was looking forward to visiting with you. I truly looked forward to stopping by the shop to visit and see all the wonderful new treasures. I was so deeply sadden, that mere words could not express how I felt when I found out about you passing away. My friend you will be dearly missed and going down town will not be the same without you. Thank you for the love and the warmth you brought into everyone's lives, for you touched so many people and blessed others and me in so many ways, which made our lives richer for it, that I know you truly never knew what a blessing you were, and for that I am truly sorry. I am thankful God had blessed me by bringing you into my life, I will always treasure our friendship and the times we spent visiting. I know we will see each other again and we will have a wonderful visit, until then I want you to know how much you are truly loved and that you will be so deeply missed. Your friend and customer, Beth HK###imported-begin###Beth Himes-Klldea###imported-end###
