In Loving Memory of Kyle O'Hare Rodman May 22, 1988 – August 28, 2025

With broken hearts and enduring love, we—his son Russell, mother, Kim, and sisters, Katey and MaDonna—announce the passing of our beloved Kyle O'Hare Rodman. Kyle left this world far too soon on August 28, 2025, at the age of 37, leaving behind a legacy of kindness, laughter, and quiet strength

Kyle was more than a son and brother—he was our protector, our confidant, and our joy. From his earliest days he carried a light that warmed everyone around him. Whether he was helping without being asked, making us laugh with his perfectly timed jokes, or simply sitting with us in silence when words weren't enough, Kyle showed us what love looked like in action.

He is survived by his son, Russell, his mother, Kim, his sisters, Katey and MaDonna; who adored Kyle; and by countless friends who became family.

A memorial breakfast will be held on Saturday, October 4, at 10:00 AM - 2:00 PM at the White Lake VFW, 321 Union Lake Rd. White Lake, MI. We invite all who loved Kyle to join us in celebrating his life, sharing stories, and holding space for the grief and gratitude we carry.

Kyle, you were our heart. We will miss you every day, but your love will live on

in everything we do.

With love, Russll, Mom, Katey, and MaDonna

“ Every single time I had the blessing to see Kyle he had a smile on his face. I remember him telling me stories of some of his time in Alaska. The true passion he had about the journeys he had been on is something a younger cousin could only look up too. No matter what Kyle seemed to have a smile on his face and laughter in his heart.

“ Kyle was one of those rare people who could make you laugh and feel cared for at the same time. He had a big heart, a quick wit, and a generosity that touched everyone around him. He was always ready to help, always ready to cheer someone up, and always made life a little brighter just by being himself. We feel so lucky to have had him in our lives and to have called him a friend. His laughter and his thoughtfulness will stay with us forever.

“ It's so hard to think of not having Kyle in the world. I've come to this site and froze with tears in my eyes. Kyle loved his son, mother, sisters, friends, and his sidekick Lucy. Kindness was always in his heart.

On my birthday, he called to give me a birthday greeting. I teased him and said, "I don't get the birthday song!" He busted out the tune and made me smile. He always tried to make everyone happy and he did just that for me that day. Love you Kyle. You are so missed!

“ We had the honor in meeting Kyle when he visited Florida at our friend Jim's. We always looked forward to seeing him come back and hear the stories from when he worked in Alaska, family stories, and different things he enjoyed talking about. He helped us fix our floor in the kitchen before we sold our one place. We always cut up and he was easy to talk to about anything. Very kind spirited and would help anyone he could. When we heard he passed away, I couldn't believe it because I was just messaging back and forth with him on the 27th of Aug. I'm so sorry to hear of his passing. Prayers for family and friends.

“ I, Vickie Hillard, Property Manager of Harrison Woods, did not get to work with Kyle for very long. However, the few short weeks that I did work with him were enriched by Kyle's quick wit, fast humor, dedication to a job well done and his love for all of the residents whom he held a deep bond with. Kyle always had a smile and sage advice that was spot on. He was a person who encouraged others and gave it to you straight whether you like it or not. His love for his family, his dog and his friends were well known. Rest in peace Kyle and Thank you for the positive impact you had on this community that is so grieved to hear of your move to Heaven. You tremendously missed!

“ I can't come up with only one memory he was a very big part of are family and always could make you smile.but if I had to pick a memory it would be the time he was part of a toilet full of toys and flooding bathroom from flushing and dripping water from the ceiling. But I still laugh when I think about it. I love you Kyle always and forever no matter what.
