“ Larry has been my brother for 46 years. He has been a rock in my life all that time. I am grateful to Larry, Sue and their family for always accepting me as a part of their family. Larry will be missed terribly but I know that he is at peace with the Lord. With love, Lou###imported-begin###Lou Wilson###imported-end###

“ Dear Sue, Ted and family, I was so sad to hear of Larry's tragic death. I have very fond memories of him from community band. His keen intelligence, wit, and joyful love of music made rehearsals more fun for everyone, including me, and I know he unselfishly helped make the activities of the band possible in countless ways. Please know I am thinking of you all in this very sad time. My heartfelt sympathy and prayers with you. Sue###imported-begin###Sue Root###imported-end###

“ Mr. Franklin was my band director in middle school (even though I'm an adult now, I still can't call him by his first name). We were the worst band in history, I'm convinced, we were TERRIBLE ... but Mr. Franklin never made us feel that way. He was always calm and patient and encouraging of our musical skills. He smiled at us all the time. After school, if a student waited at the curb for a parent to show up, even if he or she were not a band student, Mr. Franklin would not leave until the parent picked up the kid. The other teachers would bolt for home, but Mr. Franklin would stay as long as it took to be sure that the kid was safe. I always knew that Mr. Franklin cared about me and the other children. We were important to him. I think he sincerely liked us. If he didn't, he sure didn't let on any more than he never let on that we had no business being around musical instruments!! I feel very sad for his family, but I want them to know how honored he is as a teacher and a man by someone who knew him when she was a snot-nosed middle schooler. I couldn't tell you the names many of my other teachers at Covington, but I will never forget Mr. Franklin. Sincerely, Katharine Smith###imported-begin###Katharine Smith###imported-end##

“ What a wonderful friend Larry has been since we first met him and Sue in 1988 when they joined the Central Michigan Area Concert Band. Words cannot express my feelings at this point. But believe me, he has the angels sitting up straight and making beautiful heavenly music!###imported-begin###Ed & Marcile Cunningham###imported-end###
