“ We were shocked and so sad to hear of Larry's passing. We know words seem inadequate at a time like this and we also know no words can help to ease the loss you and your family bear but please know you are in our thoughts and prayers. We will cherish memories of good times we had with a great guy who could always make us laugh. Hold tight to memories for comfort, lean on your friends for strength, and always remember how much you are cared about. Remember death leaves a heartache no one can heal, love leaves a memory no one can steal.##imported-begin##Jim & Patty Perry##imported-end##

“ Larry was so kind and caring when working with 'Girls on the Run' event, not sitting down at all...even though he had brought his special chair. His humor and knowledge lightened the atmosphere at training meetings too. You could tell he had a great heart by his working with the dogs. Larry's passion and wisdom gave him and those around him strength. He was blessed to be taken home early.##imported-begin##Donna Mayes##imported-end##

“ Dearest Betty and Family,Steve and I are so Heartbroken for you. I am so very sorry for your loss. Larry was such a Dear Friend with such a Special Spirit. His love for Dogs and Rescuing & Therapy Work was very special. Together you both gave so much to the dog world and put hundreds of smiles on people's faces in so many activities and in many different ways. Larry will be so very missed by so many people in and around your community and beyond. We are so thankful that we got the chance to get together with you and our K9 Dancer group on Dec. 10th for the Christmas walk and dinner together. Larry was a real trouper to want to walk the Christmas walk along with us all even though we all tried to get him to stay inside. He was having a great time and it was a wonderful evening together.You know that Steve and I have you in our thoughts and prayers. Blessings and comfort to you,love & hugs,Steve & Gloria##imported-begin##GLORIA VOSS##imported-end##
