“ I was searching to reconnect with Larry and was shocked to see he had passed 10 years ago. He and I worked at Mt. Clemens General Hospital together in the cafeteria/kitchen before we "grew up". He, Phillip Schtheies (also passed) and I would hang out together. He entered the USAF, after Phil and I. I will always remember him for his energy, we laughed and even tried to learn the newest motown line dances.... I considered him and Phil my best friends back then and I am sorry we lost contact. Rest in Peace old friend, we will all catch-up when we meet again. Edwin (Eddie) Bergen.

Dave and I are sorry to hear of your loss. He was one of the funniest people we know and remember our kids as babies playing together and the softball games that were so much fun. Thanks for the memories, Larry!
