“ It was a privilege to have both Linda and Fred in my life. They never failed to make me laugh, whether at birthday parties, holidays or just going shopping with Linda and Kathy. Linda was a wonderful woman with a kind heart and soul. I always looked forward to her Christmas cards, especially after moving out of state, they were like a great big hug from her! Her memory will live on in the moments we cherished with her.

“ Aunt Linda was so kind and loving. She always had a smile on her face no matter what was going on. She adored her Great Niece Samantha and considered her a granddaughter till she had her own grandkids. When Jason had his surgery just 3 weeks ago she messaged us almost every day to see how he was doing. We love you Aunt Linda, give Uncle Fred, Grandpa, and Dee hugs for us
