“ I worked at JCPenney's in Mt.Pleasant when Linda was there. She had just went through her breast cancer treatment when I found out I had cancer also. She was so upbeat with me at all times. Linda helped me through a very rough time. She was one tough Lady and I will miss her always.

Linda was our neighbor for many years on Riley Road in Gladwin. We lost touch after she had moved to Houghton, Mi in the U.P.....Just a short time ago I was thinking with fondness of our neighbor of many years an of trying to find Linda on facebook , never realizing she moved back to the area. Knowing Linda had faith in God is comforting that even though I missed reconnecting with her on this earth, we I see her again. My sincere condolences go out to Amy and Brian, and all those who love her. Keeping you all in our prayers.
