But my memories of us will never go away cause you helped me in so many ways I could never repay you back. I never meant to break your heart. I could could never ask for a better mom or a grandma to my kids. you are up there with Zachary now take good care of him for me and give him my love. I Love you mom and you will always be in my heart. You always taught me the good stuff never the bad stuff when I was a kid. Our memories are forever Love you always.
