“ *Sending my condolences. I worked with Lois at MidMichigan Medical Center. She was one of the the sweetest hardest working ladies I've known. She has been greatly missed by so many of us since she retired. She was so proud of her children and grandchildren. She will be greatly missed.*

“ Our sincere condolences to Kathy, Karen, Kelly and Tim. My mom and your mother had known one another for years and she still laughs about the many times they shared. The passing of Lois greatly saddened her as they were good friends. Myself and my siblings were all classmates with one of you all as well.....from St. Cecilia to Clare High School. Karen and I were classmates and friends. I just want to extend to your family our thoughts and prayers during this difficult time. Your mom was a wonderful lady and will be greatly missed. God Bless you!

“ I have known her for over 27 years. The first time I met her, she made me my favorite pie...Cherry. It was the best Cherry Pie I have ever had. I'll remember her laugh and her smile and everything she would do for others. She raise 4 great kids...Kathy, Karen, Kelly and Tim...I've been married to Karen for almost 28 years and I see Lois in her smile and laugh. We will see each other again and laugh together once more. My heart goes out to her children and grandchildren.

1 Let not your heart be troubled: ye believe in God, believe also in me. 2 In my Fathers house are many rooms: if it were not so, I would have told you. I go to prepare a place for you. 3 And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, you will be also....

John 14: 1-3

I loved her very much and I'm looking forward to taste her Cherry Pie again.

“ I first met Lois when our boys became friends. Oh the things those boys could get into. She took Dustin in to her heart like he was her own. She often babysat for him, then Danna, then Mike and right on to my grandson Gabe. She was such a nurturing, kind, and yes,humble person. I also worked with her at the hospital. She could work circles around some of us. I know here children and grandchildren were her everything, and I send my prayers out to them and the rest of her family.

“ Dundee was the BEST neighbor and friend I could ask for. She always had time to talk to me and listen to my problems. Always put up with my dogs with a laugh and kept treats for them when they wonder into her house. She will be greatly missed. Patricia

Some of my favorite memories of Lois, when I came into the family we'd do group birthday celebrations and play cards and laugh, the whole bunch of us. Many evenings at her table sadly missed. Her laugh and " Oh you guys!" If someone can have a fault of loving too much it surely was Lois, she was kind and giving and private and complex and squeezed the stuffings out of her kids , our kids, everyone's kids. Words can't describe how sad we are at her passing. God Bless
