“ *Dick, Kris, Kameron + Kelly and your families,*

We are sending you all lots of love and prayers during this difficult time. Lois was so special to my parents - Connie and Elvis. They loved all their times together at Lake Placed and the Michigan day trips. She was a special friend and will be missed.

Lois was always available to help her family and her friends whenever needed and always with her beautiful smile. She was a giver and never asked for anything in return.

*Love,
Karen(Denton) + Kevin David*

I remember Lois from when we were members of Prince of Peace in the early 1970's. We moved to southeast MI in 1979 so I didn't get a chance to know her better. My thoughts and prayers go out to your family.

Lois and I were friends during her senior year. I fondly remember a sleepover at her house. I believe she was engaged at the time. She was so in love with Dick. We lost track after high school. I was elated when recently we reconnected on Facebook and looked forward to meeting at a school reunion, then the pandemic arrived. Through the years I have made and lost many friends. But Lois was one I never forgot. She was that kind of person. My deepest sympathy to her family. You were lucky to have had her in your life.
