Lois was a great lady. I learned many things from Lois while I was with her in Rebekah's. Like those great rolls from the fish fry's. Still have the recipe. I was also blessed and honored she and her mom took me under their guidance when I joined. Irma was a treasure to me. And my day care children will always remember Lois as the "cookie lady". Lois was my neighbor in town of Clare. And when ever we were out for walks she always seemed to be there with cookies. And she about once a month brought cookies right at lunch, to the day care, no timing there. LOL. She would always say " oh what will one cookie hurt". She was always a word of wisdom to me....I will miss her but have many a memory to comfort me. I hope her faith will help you all to find comfort and peace. I am sure she left you all with great memories to fill your hearts and minds. F.L. & T. Judy Hales

Your Mother was a bit older than I but with the exception of Ila and I we were the only ones old enough to remember Lois Mae as a young girl. I always looked forward to seeing your Mother and your grandmother and aunt because they were not always around. Our crazy family was I guess unique in that all the girls except of one had to be called by two names. Since I moved to Arizona I have only seen your Mother once in the last forty years. The memory of my youth still lingers. May God bless all of you during this time.

I was sorry to hear of you mother's passing. It's never easy to loose a parent, I wanted to be there for the funeral, but, I had to work. so glad Tom will be doing the ceremony. Please know that I'm thinking of you all during this time of grief and praying that God will send his strength and comfort to you all. Keeping you in my prayers. Julie (Dillon) Rande
