“ *My condolences to Lola's family and friends. She was my Dad Leonard Hilborn's cousin, and she and my Mom Marian, were very good friends. When Mom & Dad purchased the original Hilborn homestead on Ashard Rd in the 1970's for a few years, they were just around the corner! After Mom passed in 1992 is when I became closer with Lola. She visited for family gatherings at my AuGres Guest House; I visited her whenever I was in the Clare area (and once in FL), kept in touch via cards and phone calls, attended a couple Hilborn family reunions at her Jefferson Rd property until sadly, I didn't hear back anymore. But she was never out of my mind or heart. She had a zest for life, faith, an infectious smile, an adventuresome spirit, and heart as big as gold that served her well in her 99+ years. Rest in peace dear Lola ... you now have the peace that life deserves and have left a positive and lasting impact personally on me and I'm sure many others.*

“ *Our prayers and thoughts are with the whole family.*

Lola was my Dad's(Ron Schunk) first cousin. Her mother Mae (Hilborn)Hartman and his mother Florence (Hilborn) Schunk were sisters.

My dad is "still kicking" as he likes to say. He is 88 years old. He gives his condolences and well as my mom Darlene.

Lola was the most positive person. She never complained about anything. God blessed her with a long life and strong legacy.

“ *Lola was my "Aunt who really wasn't my Aunt". I called her Aunt Lola because she took care of me when my mother was at work. We may not have been bonded by blood, but she cared for me as if I were here own. I have very fond memories of her home, her kitchen, and something about a spaghetti monster (if I remember correctly). Also I was so impressed with David Sunday's hay forts that were made from square bales. I have joyful memories crawling through those long and winding tunnels. Aunt Lola took great care of me and supported me during many events in my younger years. She was a great part of my upbringing and she will always be fondly and lovingly remembered. She is now with the Lord and I look forward to seeing her again when He calls me.*
