“ Dear Family., I was so saddened to Get the news of Gloria's death. I am the hairdresser at Green Acres and have been doing her hair almost 2 years. I did not hear the news of her passing until I got there today, her day to get her hair done. Her door was closed when I came through the hallway. I stopped, knocked then rang the door bell. One of the workers happened down the hall and I asked if Gloria was by the dinning room and she told me of her passing!! I was so shocked! I Loved her, she and I got along really well and she always told me she loved me along with hug and kiss every week! I felt sorry for how she felt and how she wanted to look great . She didn't think she looked good because of loseing weight. I thought she looked great for 91. I could tell she was declining but not to this point. She will be truly missed, I was glad to get to know her for the short time that I did. We had a lot of things in common and talked as if we had known eachother for years. She was a very nice Lady!
Sincerely, Carol Husted
