“ I was Marcies nurse at Botsford...
She was difficlut at times...
I was the one....who pulled up my chair...
I made that time to get to know her...
I go Marcie..you to go on a road trip to gift shop..
I never saw a woman move faster..
We had a great time in gift shop..
She got some books...
And lots of candy..
I told her i dip in and out alot...because of my shitty 12 hour shifts...
I did not know last time i talked to her...
Would be the last one...
My girl...my friend...crying about your loss...
Rest in peace....my beautiful friend..
