“*RON, DON, MARGARET, CATHY, JIM, TED, TRACIE & FAMILY-
Want to send you a message to tell you how sorry I am to hear
about the passing of your MOM, I remember as kids being great
friends with RON & DON and always coming over after sport
practices to jump in the pool, she was always so welcoming and
always had a smile on her face for me, even when I dated CATHY,
and was getting in trouble with MARGRET. She loved you all so
much I remember back then, she was always SO PROUD of her
children. Wish I was there to give you all a hug and to let you know
how special your family was to me in my childhood.Love ya all and
my prayers to your family:)*##imported-begin##Glenn##imported-

“ I am very sorry for your loss. I graduated from Cadillac High School in 1976 and I was a Health Occupations student of Mrs. Johnstons (at the Voc. Center). We had an awesome class, and your mom was at the center of that class, as she was our instructor. To this day whenever I hear "does that make sense to you?", I think of your mom. She was a very nice lady. My condolences to your family.##imported-begin##Shelly (Cederberg) Taff##imported-end##

“ Dear Family.... Marilyn was always a very special person to me. I enjoyed singing in the Timber Tones with her even before we were the TT....I also enjoyed our time in "Candid 8's" and the many fun times we spent just woodshedding together. I have lots of good memories of times at her home in Cadillac, and at our many competitions together. She was such an upbeat person, and also a great baritone. I know you all, as her family, will miss her so very, very much, as will all of her sisters in Sweet Adelines. I send you all my love and sympathy and know that your happy memories will sustain you in your loss, and your knowlege that she is now with the rest of your family...Bill and Dorothy have waited a long time to see her! They, too, were such special people. God bless you all.
