“ *I can't begin to tell you how sorry I am for your loss. Peggy (aka PAGGY), was one of the kindest, loving, most wonderful people I have ever been lucky to know. Her generosity and love to our family was amazing. I can't remember much before living in Highland, but I can never forget the impact that Peggy had on me during that time. To say that heaven just got a little better is an understatement. To be considered an adopted grandchild to Peggy is truly an honor, I always felt the love of a grandmother from her, she truly was an amazing person. I love you Peggy, thank you for everything!*##imported-begin##Eric Norman##imported-end##

“ I will miss Peggy more than I can say. We used to met at our mother's house in Dayton and always had wonderful visits with each other and mom.
