“ Back in the day I thought I knew it all... nobody could tell me anything... but if I started my shenanigans in Ms. Mary's presence... she would check me... dropping nuggets of wisdom each and every time... and she would do it with such Class and such Grace that I couldn't get in my feelings about it. All I could do afterwards was say... Yes Ma'am Ms. Mary... understood!! She is an Amazing Woman whose memory I will forever cherish.

To the Family... the voice of a Beautiful Loving and Caring Family cornerstone has been temporarily silenced. May she rest in the power and bosom of the all Mighty! May Ms. Mary's Legacy I pray... live on... continually blessing all the world with her Memories, Influence, and Power!!!

I Love You... I Miss You...
