“ Aunt Mary and Uncle Cork are some of the best memories of my childhood back when they were living in Troy. Always thought I would make it to Lake and visit but time went fast and communication broke down. I am saddened to have woken up with her on my mind and find tribute wall but I know that she was an amazing woman that loved everyone she came in contact with. We would wait til people went hunting or shopping and she would say "Let the Good Times Roll!" then pull out the microwave and eat hot dogs together, and play Yahtzee. I've been missing you, and now I will really miss you. xo

“ Sue, Tari, and Linda My heart goes out to each one of you she told me many many stories about you three growing up that was so dear to her heart. When it was time to talk to any of you on the phone the world stopped for that moment for it was special to her. She was the most proud mother and even though you all are grown adults she always called you three her babies and you all was her pride and joy. Always remember her love lives on with in you three. If you ever want to come back home for a visit my door will always be open to you. My thoughts and prayers are with each of you She loved you all so much !!

“ If one was to ask me who was the one person in your life that you looked up to and admired I would say Mary. She was an amazing lady who had such grace, beauty, and a great soul. She gave everyone around her unconditional love and support at all times. she gave me the best gift out of life and taught me how to go on and live after I lost my 21 yr. old son and I am forever grateful for that and to her. She was the most honest, caring, and strong person I have ever met and she never had a bad thing to say about anything or anyone. She was the best wife, mother, sister, neighbor, and friend to everyone and we were all blessed to be in her life and apart of it. I Thank you so much for all those great memories you have given me through out the years. It also helps me to know that you are free and at peace and with your one and only true love Cork. I'll love you always Tammra xoxox oh and no cheating up there in Yahtzee lol

In the short time that I had spent with Mary, she filled a place in my heart as well as the hearts of my daughters Ashlee, Kaitlynn and Carlie. She was a very caring and loving woman who will be missed dearly. I am so honored to have met her and to have the time with her that I had. God blessed those who knew her with a true Angel. We love you Mary but know that you are no longer suffering and are always watching over those you loved and cared about. Peace is now your gift from God. You will always hold a special place in our hearts and we will never forget you. Thank you for bringing so much happiness in my life and in my daughter's lives when they felt as if all was taken from them when my Mom passed away in June. We hope that in the short time we spent with you that we were able to bring you happiness as well. You may be gone but you will never be forgotten.

Love Always,

Chris & Girls
