“ *The memories we have of Mason
We have known Mason and his family for about 10 years.
We first met Mason and Pam walking together by our house in the
summer evenings. Mason was always so "happy go lucky"
Before we knew it Mason was riding his bike passed our house
always saying "Hi".
In a flash Mason was driving his truck's passed our house. "I loved
that Big Blue truck"
Last summer I asked him to take me for a ride in his Big Blue truck.
"I had a blast" I am so short I barley could git in that "Big Blue truck"
Thank You Mason, that made my day!!!!
We will miss you Mason*
