“ *Shelly-- I will always remember your tall black boots at dance-- giving us our jazz warm-ups before class. It was so amazing to share the stage with you at the alumni reunion in June. You will be missed.##imported-begin##Annie Weaver##imported-end##*

“ *Words cannot adequately express the heartfelt sorrow we share with Michelle's family and friends. Michelle was a beautiful woman, and a wonderful wife and mother. The loss of her from our family is deeply felt by all of us. To Rick and the children, may God's love and presence comfort you in these difficult days ahead. Know that your family and friends are all here for you. Love, Judy & Joe##imported-begin##Judy & Joe Salminen##imported-end##*

“ Michelle - I am so sorry you had to go through this. What a wonderful woman - funny, caring, beautiful, energetic and fun loving, great laugh and stunning smile! Whenever you looked at Rick or talked about him it was so clear how head-over-heals in love you were with him! I'm so glad he was able to find a love like your's. Tristan and Rikell - the other loves of your life - what a blessing they are - you live on in them. Michelle, we are heartbroken with your passing - but we are grateful for the time you were with us. Love you.##imported-begin##Debbie Raymond##imported-end##

“ I want to share a couple stories with everyone... This past summer my husband and I stopped over to Rick and Michelles. I dont know how it got brought up but Michelle said something about someone talking about her "sideburns"... She then lifted up the side of her hair and her "sideburn" on the one side was cut straight across at ear level... OMGosh we laughed SOOO hard! When I think about it now I really do giggle... I can still see it! LOL! And 2 yrs ago Rick and Michelle had a Halloween Get Together and half way thru the night and this person came to the fire in a make that looked like an Old Cheech... LOL.. the person just stood there not saying anything with their arms crossed over their chest nodding at my husband... NOBODY knew who it was... but I did. Michelle told me she was gonna put that costume on later in the night... It took EVERYTHING I had to hold that laugh in! She demasked after a few minutes and boy did we all laugh... It was Soo funny!!!! I will miss Michelle so much! She had touched my life so deeply!##imported-begin##Bambi##imported-end##

“ There are simply no words that express how deeply sorry I am for your loss. I remember Shelly as the happy little girl I use to babysit and who was the constant compainion of my sister, Kira. I remember most her dazzling smile and how she made us all laugh. My heart breaks and I am praying for you all.##imported-begin##Jodi (Ihrcke) Smmitter##imported-end##

“ Our thoughts & prayers go out to Michelle's parents, brother, & sisters as they go through this very difficult time. Rick, we can see the grief in your eyes but can only imagine the sorrow in your heart. We wish we could take it all away but only God's love & time can do that. Eventually the sorrow will be pushed out by all of the fun & beautiful memories of Michelle & the time you had together. Tristen & Rikell are lucky to have had such a loving mom. We will all help them to keep their memories of her alive. She will not be forgotten. We love you!##imported-begin##Diane & Jeff Braley##imported-end##

“ *The time we had is what people write songs about. You made me fall in love with every day. You showed me what true love is and I'm forever in your debt. Thank you for our children, my new family, my new friends, and thank you for loving me. Words don't seem worthy of the love and the loss we all feel. You are deeply missed every moment of every day. Until we meet again... Teach the angels to dance and keep them laughing for all of us..... I love you* *##imported-begin##Rick Partridge##imported-end##*
